

Corpus Christi Region Hospital Value Scores- December 2023

This hospital value score accounts for quality of care, safety, and cost. It has been recently updated to account for the latest Leapfrog hospital safety scores. This information is posted with the other transparency data on www.tigbenefits.com as well.

We anticipate that this information will help plan participants get the most for their benefit dollar.

Please do not hesitate to contact the Turner Benefits Help Line at (225) 214-2566 or benefits@turner-industries.com with any questions.

Hospital	Leapfrog Safety Grade	RAND Hospital Cost Grade	Medicare Star Rating	Hospital Value Score
Corpus Christi Med Ctr	11.25	24	27	66.0
CHRISTUS Spohn	7.5	12	9	32.25
				Possible Score: 100

Utilizing value hospitals will allow participants to access the best quality care available at the fairest price in the region.

Value scores are weighed utilizing the following assumptions:

QUALITY	Medicare Star Rating	45%
SAFETY	Leapfrog Safety Grade	15%
COST	RAND Cost Grade	40%
